

Maintenance Evaluations

Maintaining your aircraft at a factory-owned service center increases the resale value of the aircraft and provides the safety and peace-of-mind your customers deserve. You'll also benefit from these value-based incentives:

- Fast Turn on Quotes
- Cost Savings-- we're holding our labor rate to 2008 pricing
- FREE CAMP maintenance tracking- receive 14 months FREE (for new CAMP Subscribers)
- Qualify for 2009 Bonus Tax Depreciation Incentives for upgrades and improvements

Hawker Beechcraft Services also provides you with access to a portfolio of services which can be customized to streamline and enhance your maintenance evaluation experience:

- Daily progress updates from your HBS Customer Program Manager (CPM)
- Detailed log book research to establish FAA regulatory compliance
- Due list projection
- A comprehensive menu of aircraft detailing services
- Import/Export and international regulatory compliance assistance
- An attractive Maintenance Evaluation Book which details your aircraft's ME
- The industry's most in-depth FAA and EASA compliant Hawker Beechcraft aircraft upgrades based on Hawker Beechcraft TC and STC data
