 Supplement 3 — National Aeronautics and Space Administration
 FAR Supplement Clauses**

(Updated through NFS/PN 97-58)
 (12/00)

1. When the materials or products furnished are for use in connection with a National Aeronautics and Space Administration (NASA) contract or subcontract, the following provisions shall apply, as required by the terms of the prime contract or by operation of law or regulation. In the event of a conflict between these NASA provisions and the Federal Acquisition Regulations (Supplement 1), the NASA provisions shall control.

2. To the extent required by the prime contract or by operation of law or regulation, the following NASA FAR Supplement clauses in effect as of the date of the prime contract are incorporated herein by reference. In all clauses listed herein, the terms "Government" and "Contractor" shall be deemed revised to properly identify the contracting parties under this purchase order.
