Proforma Adjusted EBITDA is a non-GAAP financial measure that is useful in evaluating the ability of issuers of "high-yield" securities to meet their debt service obligations. It is not intended as a substitute for an evaluation of our results as reported under GAAP. We have presented Proforma Adjusted EBITDA as if the acquisition of the Raytheon Aircraft business had occurred at the beginning of the period presented. This information is for informational purposes only and does not purport to represent our financial condition had the acquisition occurred at the beginning of the period presented or to project the results for any future period.
