Dear Customer:

I am writing to share great news: today we announced the completion of Raytheon Company's sale of Raytheon Aircraft Company to Onex Partners and GS Capital Partners, an affiliate of Goldman Sachs. Your business is important to us, and I wanted to be the first to welcome you to the Hawker Beechcraft family.

From the pioneering flights of the very first Beechcraft Model 17 to the breathtaking performance of today's Hawker 4000, our company is rich in heritage, achievement and innovation. Our new name celebrates these accomplishments, and for the first time in more than a quarter of a century we are an independent, private company.

I am pleased to say that today our company is stronger than ever – as is our commitment to our many valued customers worldwide. You can expect to receive superior service and support, and you can expect to benefit from our passion to design and build the world's finest aircraft. You have been, and always will be, core to everything we do as a company.

On behalf of every one of our 8,000 employees, I thank you for your confidence in us and look forward to continuing to serve you as Hawker Beechcraft Corporation.

With warm regards and appreciation,
